## ABOUT TOWN.

The river had risen one foot, up to one o'clock this afternoon.

Fresh butter, lemons, potatoes and various just received at John McGovern's.

Be sure to buy a ticket for a "Box of Monkeys." You will have the time of your life.

Arrangements have already begun at the Plaza de Allende in Matamoros for the Cinco de Mayo fiestas.

The raiur started work on the rice canal somewhat, but the delay is only a matter of two or three days more.

The schooner Olga arrived at Point Isabel last evening, and was discharging her cargo today.

A rise of four feet in the river was reported at noon today at Hidalgo, where the river began rising yesterday.

A train came up about 2:30 o'clock with freight from the Olga. The remainder of the freight from the same ship will arrive later this afternoon.

A telegram received this afternoon by the Rio Grande railroad company announces that the schooner Beacham arrived at Port Kads today and will reach New Orleans tomorrow.

The program for the Vega company, at the Matamoros opera house tomorrow night, includes two plays: "Valentin el Guardacostas," or the Assassin of the Black Rock," and "La Marcha de Cadiz."

The entertainment to be given on the 25th. at the opera house is not under the management of "The King's Daughters," as previously stated, but is given by some of the young society people of Brownsville.

In Judge Gavito's court this morning, Jose Taurino Gonzalez was up on charge of swindling, and was bound over in the sum of \$100 to appear before the county court. The prisoner is accused of securing city scrip for a small sum by fraud.

It is learned that, the merchants in Matamoros having raised the price of corn to a figure beyond the reach of the poor people, the city authorities took charge of the matter, and bought a large quantity of corn which they are retailing at cost to consumers.

Buy a ticket for "A Box of Monkeys," to be presented at the opera house next Friday night. It is a first class comedy, and the performers are all excellent. You are sure to enjoy it immensely. The rarity of such an event in Brownsville should bring out a full attendance.

In its report of the Euchre club, THE HERALD erred in stating that the next would be the evening meeting. As there are five Wednesdays in this month, the evening meeting will not occur until the week following, which, it is understood, will be the last meeting of the season.

One of the disappointed applicants for the place has filed a protest against the confirmation of Waller Burns as judge of the new South Texas federal district, alleging that Mr. Burns "lacks legal ability." The charge is quite amusing, coming from the source where it does.

This morning as Louis Vasseron was passing along Washington street near the Pecina corner, he noticed blood smeared and streaked along the fence, and started out to seek the cause. He was not long finding it, as a short distance away he came upon a poor burro with a great gash cut in its side. Evidently some cruel and malicious person had cut the poor animal in mere wantonness. The fiend that did it should be severely punished, if he can be found out.

Small boys with "nigger shooters" shooting at birds, are not uncommon on the streets nowadays. On Thursday a little fellow was hit on the cheek by another with one of these weapons. Had he been hit in the eye, the consequence might have been serious. The police should keep an eye out for the "nigger-shooter" boy.

Tickets for the farce comedy, "A Box of Monkeys," are now on sale at the Botica del Leon, and are also being sold on the streets by children. Admission 50 cents. Reserved seats may be secured on payment of twenty-five cents extra at the Botica, in addition to the admission ticket. Admission to the balcony, twelve cents.

The Vega band no longer comes over to announce the performances of that company. It seems they were refused permission by the customs authorities to cross a few days ago. Afterwards they were given a permit by order of Collector Maria to enter, but for some reason they did not avail themselves of the permission.

**NERVOUS** troubles are cured by Hood's Sarsaparilla, which enriches and purifies the blood. It is the best medicine for **NERVOUS PEOPLE.**

Ice cream served every Wednesday and Sunday at the Ashland Hotel from five to ten p. m.

## PURELY PERSONAL.

J. H. Kirkpatrick of San Antonio arrived by stage last night, and is staying at the Miller.

Captain Gus Harms of the schooner Moore came up from the Point yesterday and returned today.

## High Pressure Days.

Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the pressure is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of both body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative functions healthy and active. From personal knowledge, we can recommend Hood's Sarsaparilla

# PAINE'S CELERY COMPOUND

Permanently Cures All the Varied Forms of Rheumatism

It Purifies the Blood and Removes Every Trace of Poisonous Acid.

The Great Medicine Has Cured More Rheumatic Sufferers Than All Other Combined Remedies.

Sufferers from the varied forms of rheumatism—articular, muscular, inflammatory, lumbago, and gout, should bear in mind that there is a morbid principle in the blood when rheumatism is present. This morbid principle is uric acid, which circulates with the blood and acts upon the joints and muscles, causing the pains and agonies of rheumatism. Paine's Celery Compound is the only scientific remedy for the permanent banishment of every form of rheumatism. If your joints are painful; if the knees, wrists, elbows, or ankles are swollen, a few bottles of Paine's Celery Compound will soon remove all your troubles. If you have inflammatory or sciatic rheumatism accompanied with fever, acute, darting pains in the sciatic nerve from the hip down the leg, Paine's Celery Compound taken at once will soon drive out the disease, and make you strong and active.

At this particular time when rheumatism frequently lays the foundation for other incurable and grave troubles, we specially urge the honest use of at least one bottle of Dr. Phelps' life giving medicine, Paine's Celery Compound. No case is too complicated or difficult for this king of medicines. Thousands of happy and grateful men and women sing its praises and continually recommend it. It is the only medicine that can rescue people from agony and death after physicians pronounce them incurable. Mrs. Louisa Kix, Wesley, Iowa, says:—

"Some time ago my husband was taken down with inflammatory rheumatism, so that he was unable to get out of bed alone or to dress himself. We employed good doctors and used many kinds of medicines, but with no relief. We finally sent for a bottle of Paine's Celery Compound, and before he had finished it he was able to be at work. Another bottle entirely cured him."

## Deafness Cannot be Cured.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. S. CHENEY & CO. Toledo, O. Sold by Druggists 75c. Hall's Family Pills are the best.

**Drying preparations simply destroy dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.** The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
